“Present Time”

The December exhibition is called **Present Time**. Presents, gifts you may like to buy for Christmas presents. It is a real mixture from small neatly wrapped parcels of sweets to everlasting bouquets of flowers. There is pottery and lots more.

Come in and have a look, it is well worth it. A few of the items for sale are currently posted on our Facebook page and Website.

Arts in the Park is coming up, Saturday December 7th, again another place where you may find the gifts you are looking for. Hawera Art Club will be there too, so look out for them.

Congratulations to those who exhibited Art in the Opunake Art Awards last month. The Opunake Team do such a great job for the Art community it was heart-warming to see their enthusiasm.

This year has flown by with exhibitions appearing every month without a hitch and showing such different fields of work and media. Lysaght Watt certainly takes its place well in our community and we really do look forward to seeing what other work we can exhibit which will excite and be enjoyed by those that visit the gallery.

To any artist who receive this letter who would like to exhibit their work please let Gail our curator or Margaret know, and we can include your work on the Members Wall.

If you only have a few pieces that fine, it's a start. We are there for you.

Thank you to those who help in any way to enable the gallery to take its very important place in the community, the future looks bright with the new build within sight and site but we are in need of help in the administration side. Have a think in the New Year of what help you might be able to offer for the gallery to go forward.

We wish you all a Merry Christmas and a very good New Year.
