- Establish a high profile gallery in Hāwera and support the initiatives of other art groups within the South Taranaki District with the provision of exhibition spaces.
- Facilitate economic development opportunities for the arts in South Taranaki.
- Provide opportunities for creative expression and artistic celebration by interaction between artists and the community.
- Increase access to expertise and education in the field of the arts.

As a **Friend** you will receive our monthly digital newsletter, invitations to our exhibition openings and the Annual Art Award plus the opportunity to talk with the artists. You will also receive a **Friend's only** discount on art supplies at Hāwera Paper Plus.

The Gallery is operated by the South Taranaki Art Gallery and Exhibitions Inc. (STAGE Inc.) which is registered as a charitable organisation. All persons involved in the operation of the Gallery are volunteers. STAGE Inc. relies on donations, subscriptions, grants and commission on sales to cover our operating costs. We are grateful to the South Taranaki District Council, Lysaght Watt Trust and Creative Communities for their ongoing support.
